### WHAT IS HALLOWEEN?

Halloween is a traditional celebration on 31<sup>st</sup> October. The Celts believed that the dead came back, so they lighted bonfires to keep them away. In the 19th century immigrants took this tradition to North America.

Nowadays children, dressed in scary costumes, go from house to house asking for candy with the question “trick or treat?”, if they don’t receive candy they will make a trick or a spell.

People also go to costume parties, visit haunted houses, watch horror movies with friends or tell horror stories.

On Halloween they decorate houses with jack-o’-lanterns: pumpkins with faces and a candle inside that looks scary.

What is the correct answer?

Tonight is a very important night for Sam:  
the Three Wise Men are coming.

The Three Wise Men went to see newborn Jesus at Bethlehem.  
Their names were Melchor, Gaspar and Baltasar. They  
traveled by camel following the star of Bethlehem. As a  
present, they gave to Jesus gold, frankincense and myrrh.

At the present, all the children write a letter about the gifts  
that they want to receive on the 6th of January.

If the children are good kids all the year, they will receive  
the gifts they asked for. But if they are bad children during  
the year, they will receive a piece of coal.

Sam is always a good boy. He knows that the Three Wise Men  
will only go to his house when he is sleeping. He is going to  
bed early tonight. He leaves his shoes cleaned, some milk  
for the Three Wise Men and some water for their camels  
under the Christmas tree. Everything is ready.  
So, good night and be good kids!
